

Resource 1 Video handout

How or why did each person become involved with knives?	What happened to make them want to live knife free?
 <p data-bbox="229 566 280 589">_Ben</p>	
 <p data-bbox="229 866 280 889">_Aliya</p>	

What has helped them to stay knife free?

What are the benefits of being knife free?

What challenges do you think they might have faced since going knife free?

<p>A person can get up to four years in prison for carrying a knife</p>	<p>An argument would get out of control quickly if someone had a knife</p>	<p>It will be harder for a person to achieve their goals and ambitions if they are involved in knife crime</p>	<p>A person could end up in hospital if attacked by a knife</p>
<p>A person can get a criminal record for carrying a knife</p>	<p>A person will carry around a lot of guilt if they have seen or been part of an attack</p>	<p>Friends who don't carry knives may choose to stop hanging out</p>	<p>A person can die from a knife attack</p>
<p>Some countries will not let people with a criminal record in (e.g. USA)</p>	<p>A person's friends and family would be really disappointed and upset if they got arrested</p>	<p>A person's family would be constantly worried about them</p>	<p>A person who carries a knife could have it used against them</p>
<p>It will be harder to get into college, university or a job with a criminal record</p>	<p>People who carry a knife often have an increased feeling of danger and stress</p>	<p>People who have survived knife incidents are often left with permanent injuries</p>	<p>A person carrying a knife or spending time with people who do, risks their friends being injured in a knife attack</p>

Resource 2a Teacher answers (card sort)

<p>Personal</p> <p>It will be harder to get into college, university or a job with a criminal record</p>	<p>Personal</p> <p>People who carry a knife often have an increased feeling of danger and stress</p>	<p>Physical</p> <p>People who have survived knife incidents are often left with permanent injuries</p>	<p>Social/physical</p> <p>A person carrying a knife or spending time with people who do, risks their friends being injured in a knife attack</p>

“I’ve just met this cool group of older kids. They make me feel safe and protected when I’m with them. Sometimes they do things that make me feel a bit uncomfortable, but I can just stay out of the way when that happens, right?”

Your advice:

“

”

“A good friend of mine has been killed from a knife attack. The area I live in is quite rough. Should I start carrying one to protect myself?”

Your advice:

“

”
