*** Bespoke Training Courses**

We offer the option to deliver a bespoke training course at your chosen venue for up to 16 participants. To ensure a conducive learning environment, the venue must meet the following requirements:

- Adequate seating for 16 attendees, arranged as four tables with four chairs each.
- Two additional chairs for the trainers.
- A flip chart stand.
- Facilities to support PowerPoint presentations, including a large screen and speakers.
- Reliable internet or Wi-Fi access.
- Provision of refreshments for participants.
- A quiet, private space available for confidential support, if required.
